More To Know

Only sports drinks and water are allowed on any of the turf facilities. No food, gum, coffee, tobacco products, ice chests with anything other than water & sports drinks, etc.

No pets are allowed at any of the venues. Leave your dog, cat, parrot, iguana and/or ferret at home. The only exception is a service animal such as a Seeing Eye dog.

Waivers are due at the score table of your first game of the tournament, not anywhere else.

We are not reporting scores to your league or to LaxPower. It is up to you to report your score and your stats just as you normally would for any game you play all season. Our staff will keep time and flip the scoreboard. You will need to keep stats just like you would at any game you play all season.
