Teams,

A shell block of rooms has been reserved at each of the hotels listed. You may contact the group sales representative if reserving 10 or more of the rooms for your group. You are able to create your own group within the block. Do this for your team of players, coaches, bus driver and or your parents and families. You may also call the front desk or reservation line for individual reservations. Indicate that you are staying with the **Midwest Lacrosse Tournament** to receive the discounted group rates. If you have a tax exempt number for your team or parent organization, please provide that number for the additional discount. *A tax exempt identification form may be required to be submitted to the hotel.* You may also request that a team's rooms be located on the same floor during your stay. Please note that each of the hotels has a different release date, in which unreserved rooms will be released back to the general population for reservations. For any questions or concerns, please contact the TWHS Boys Lacrosse hospitality representatives:
