team and needs to provide a statistician at the table and will be wearing white, teams please bring both sets of jerseys

- \* Each team will be given a 30 minute warmup, may not be on field of their game
- \* The two north locker rooms will be available for individual player uses if need be, but no items should be left
- \* A field manager will be present for each field and game. They will have radio contact with everyone and will ensure all field supplies are in place to run game, they will run penalty time if neither team has a statistician.
- \* Inclement weather is determined by field referees, adjustment of schedule and field use is determined by John Galipault and Jeff Irwin
- \* Tents will be provided for referees, T-shirt sales, college coaches - all around the concession stand area. Referee and College coaches will have access to bottle water and snacks
