I am a disciplined, hardworking, and coachable player on and off the field. As a member of your team, I would bring proven performance—to begin contributing immediately—and potential to grow throughout my collegiate career. My strengths include making space for myself and my teammates, field awareness, quick hands and feet, crisp passing and catching, disciplined and inventive play-making, and, of course, putting the ball into the opponent's net. To balance my attack, I can check and strip opponents in the transition game and win ground balls in heavy traffic to get the team back on attack.
