2016 TWHS Boys Lacrosse – Season Orders

Upon occasion the Parents' Club will be providing snacks, team dinners, and/or meals while traveling. Please provide the following information regarding your player. Thank you!

Known food allergies or dietary requests/restrictions: _____

During the season we are often offered group rates on tickets to college games. Additional tickets for the family can be purchased at the group rate offered to the team. Please read each description carefully as the Club will be purchasing some tickets for players depending on which games JV or Varsity will be attending together.

Also, we are offering the purchase of Subway boxed meals for players. For some of our younger players that do not yet drive, and they may want to purchase boxed meals if they are not able to go home between school and/or travel or game time warm-ups. Meals will be labeled with the player's name and delivered to the fieldhouse after school. If ordering the Subway option, please also fill out the sandwich order form.
