

Spring Lake Lacrosse Scholarship Request Form

A family that can afford to pay is asked to pay the full amount. Participants of the Spring Lake Lacrosse program and their families who are not financially able to pay the full fee may choose a program cost ranging from \$0 - \$250. **We request that we use the reduced school lunch program as a pre-qualification of a full scholarship.** We also offer payment plans at every level (please contact your program coordinator to register and set this up). The following scale is provided for families to choose what they can most comfortably afford. **The sustainability of this program relies on the honesty and integrity of parents to choose their appropriate registration amount. It is essential that each family contribute as much as it can afford.** Local fundraising efforts and donations from the community supports the gap between program registrations paid and necessary scholarships. Families that are unable to afford equipment, SL LAX Club will provide any or all equipment needed for the season. It is expected the athlete turn in equipment at the end of the season.

All registration information remains confidential between the families and the program coordinator. We share this information with families because we remain committed to the principles of the program that inspire all athletes regardless of socioeconomic situations.
