

Spring Lake Lacrosse Scholarship Request Form - 2018

A family that can afford to pay is asked to pay the full amount.

Participants of the Spring Lake Lacrosse program and their families who are not financially able to pay the full fee may request a discount of up to 50% of the participation fee (note: this scholarship is separate from the high school participation fee of \$75, please contact the HS Athletic Office for assistance with this fee). **We use the reduced school lunch program as a pre-qualification.** We also offer payment plans at every level (this option is requested at the time of registration).

The sustainability of this program relies on the honesty and integrity of parents to choose their appropriate registration amount. It is essential that each family contribute as much as it can afford.

Local fundraising efforts and donations from the community supports the gap between program registrations paid and necessary scholarships. Families that are unable to afford equipment, SL LAX Club will attempt to provide any or all equipment needed for the season. It is expected the athlete turn in equipment at the end of the season.

All registration information remains confidential between the families and the program coordinator. We share this information with families because we remain committed to the principles of the program that inspire all athletes regardless of socioeconomic situations.
