

Spring Lake Lacrosse Scholarship Request Form 2020

A family that can afford to pay the registration fee is asked to pay the full amount. Participants of the Spring Lake Lacrosse program and their families who are financially unable to pay the full fee may request a discount up to 50% of the registration fee. Please note, this scholarship is separate from the required high school participation fee of \$75. Please contact the HS Athletic Office for assistance with this fee. We use the reduced school lunch program as pre-qualification for a scholarship. Payment plans are also available through our Sports Engine registration website.

The sustainability of this program relies on the honesty and integrity of the parent to choose their appropriate registration amount. It is essential that each family contribute as much as they can. In turn, all scholarship requests are kept strictly confidential. We are committed to the principles of the program to inspire all athletes to participate regardless of socioeconomic situations.

Fundraising and donations from the community support the gap between paid registrations and necessary scholarships. The Spring Lake Lacrosse club will also attempt to provide needed equipment for families that are unable to afford it. It is expected that the athlete turn in the equipment at the end of the season.

Player

Name: _____

Grade: _____

School: _____

Boys or Girls (circle one)
