1. Equipment

Lacrosse Stick- We suggest that every camper have 2 sticks in case one breaks (recommendation). Please put your name on your stick. Many campers have the same stick and this will help with identifying a stick. The best way to do this is TO WRITE YOUR NAME WITH A PERMANENT MARKER or to tape your name to the handle of the stick.

- Helmet (please put a piece of tape with your child's first name on the front of the helmet)
- Shoulder Pads
- Rib Pads- optional
- Arm Pads
- Gloves
- Mouth Piece- MUST HAVE ONE!
- Grass Cleats Preferred or sneakers if you don't have cleats

- Vending machines are located in dorm lobbies; however, there may not be change machines available. Please bring enough change to buy snacks.
- Snacks - Campers may also bring snacks to keep in the dorm rooms. There is no refrigerator, so please limit the snacks to items that do not need to be refrigerated and are easily cleaned up.

This list was created from players who've spent their summers attending lacrosse camps all across the country. Being prepared can only enhance your camp experience. It is better to bring more clothing and not use it, than to need it and not have it. Don't be the kid at camp that wears the same stinky t-shirt all week long! If you have any specific questions feel free to e-mail the directors.

We strongly recommend that you deposit your child's money in the camp store at registration.
