March 15, 2012

Dear Potential Sponsor,

Over the past few years the Fulton Girls Lacrosse Program has grown exponentially. A short time ago we were only able to field 3 scholastic teams with limited numbers. Last year we fielded 6 teams with over 140 kids ranging from kindergarten to twelfth grade. Annually, these girls and their families have made a commitment to play in summer/winter leagues, attend multiple tournaments and go away for summer lacrosse camps. As a result of their hard work on and off the field, over 90% of the seniors that graduate from our program go on to college.

This year the Fulton Girls Lacrosse Club will be hosting the 2<sup>nd</sup> Annual *War on the Shore Lacrosse Tournament*. This tournament will serve as a fundraiser for the Fulton Girls Lacrosse Program, as well as a promotional event to promote girls lacrosse in Central New York.

Our tournament is scheduled for April 13 & 14 and will host a team from Mexico, Jordan-Elbridge and Onondaga at the Fulton Athletic Complex. As a result of last year's success, we are adding a JV tournament consisting of Fulton, Mexico, Watertown and Auburn. The Fulton Girls Lacrosse Program is hopeful that you and/or your business will become a sponsor for this annual event that showcases student-athletes from Oswego, Onondaga, Jefferson and Cayuga Counties.

Sponsorship donation levels include but are not limited to:

- \$25 \* included will be a business card sized space of advertisement/well wishes in our program
- \$50 \*included will be a ¼ page sized space of advertisement/well wishes in our program
- \$75 \*included will be a ½ page sized space of advertisement/well wishes in our program
- \$100 \*included will be a full-page-sized space of advertisement/well wishes in our program

We are very excited about having an opportunity to bring you on board as a sponsor. We feel with the growth of girl's lacrosse in our community as well as Central New York, this makes for a perfect fit to represent sponsorship.

Again, we would like to say thank you for your interest in becoming a sponsor of the Fulton Girls Lacrosse Program. We are eager to start a positive partnership in hopes of continuing to promote girls lacrosse throughout Central New York. We're looking forward to speaking with you regarding the details of your sponsorship.

Sincerely,

Fulton Lady Raiders Lacrosse Booster Club
