## **Michigan Lacrosse Boosters Fund 2015-2016 Season Financial Notes (Class 4)**

Greetings Parents,

The Michigan Lacrosse Boosters fund was established in 2013 to assist the team with meals and other incidentals not covered by the athletic department budget.

The fund had a balance of \$8,231 at the start of the 2014-2015 season. Revenue for the 2015 season was \$15,975. All but \$1,100 of this was attributable to family contributions, which were set at \$350 per family. The balance came from a-la-carte meal collections.

Expenses were \$12,089. Approximately \$10,000 was used for team meals and entertainment, mostly on the road. The fund was able to help with some special team meals on spring break and for the final away game at Johns Hopkins this year. The remaining expenses were for parent roster lanyards, buttons, staff belts, and Senior Day.

The surplus heading into 2015-2016 is \$12,116. We anticipated a smaller surplus; however, Joe was provided additional funds from the athletic department this year to cover team food.

Since a surplus has been created, we are reducing the contribution to \$275 per family. This will generate about \$12,000 in revenue, and based upon the prior year's experiences should accommodate the yearly expenditure.

Good Luck Team 5!

Respectfully submitted,

Keith Bergman

## MEN'S LACROSSE

### 2016 Pre and Post Meal Coordination

We are asking that a group of 2 to 3 parents sign up for each weekend and coordinate all events surrounding the game activity. Depending on the weekend and the travel plans of the team, this includes the following:

- An informal gathering place on Friday night before the game for those parents traveling to either home or away venues.
- Coordination of pre-game gathering for parents and alumni: This is often driven by the weather. If the weather is good, we normally have a potluck tailgate in the parking lot outside of the stadium (home and away games). For parent tailgates, we normally ask those attending to bring something to share. In an effort to reduce the emails and excess food we seem to have each time, we will be using a website tailgate tool this year. More to come on that as the season approaches. If the weather looks inclement, we typically move this inside to a local restaurant/bar. In Ann Arbor, the tradition has become Bar Louie on East Liberty. We typically meet two hours before game time. They open early, and appreciate a call a few days before to reserve a spot for the parents and friends to gather. (734) 794-3000, 401 E. Liberty Street #200, Ann Arbor, MI 48104.
- Team Meals: On the road, every meal is pre-planned by Joe Hennessy and the staff and the boys usually eat 4-5 times a day. On occasion, the team will use funds from the parent fund to supplement the meal, or do something that might be a little bit outside their normal budget. Post-game meals are usually open to the parents, and many times, when the team has extra time or is staying the night after the game, the team will coordinate a dinner with the parents. Home post-game meals are also covered by the team. These are usually in a tail-gate setting after the game and Joe will look to get an idea of how many people will be eating with the players. Joe will add that number to the headcount and then use the parent fund to pay for that additional food above and beyond what he's getting for the players

**Attached** is the sign-up sheet for game/weekend coordinators. There are a number of open spots that need volunteers. Please sign up or reach out to others to put a team together or just sign up for a weekend and meet new folks. Once finalized, Keith Bergman will post the listing on the website.

### Parent Merchandise

Barbara Keady, Kathy Heidt and Joanne Reynolds are working to develop a suite of merchandise to offer the parents prior to the start of the season. These are offered through an on-line website that makes ordering easy and quick. You should have received an email from Barbara Keady with the link. If you did not, please let us know. This will also be posted to the website.
